

Occupational Therapist

Status: Permanent, full-time

Available: August 25, 2008

Open: Until filled

Located: Nanaimo, BC

A permanent full time staff Occupational Therapist position is available at the Nanaimo Child Development Centre in central Vancouver Island, beginning August 25, 2008. This is an opportunity to join a family centered, multidisciplinary team in providing early intervention and school aged services for children aged birth to 19 years.

Our Occupational Therapists provided services including assessment, consultation, and treatment for children with a range of disabilities, in collaboration with families and community partners, in a variety of settings. The Centre has a fantastic treatment gym as well as many opportunities to use assistive and computer technology within treatment. You will have a diverse, manageable caseload as part of a dynamic and supportive organization.

Candidates will have a Master's or Bachelors degree in Occupational Therapy. You will be eligible for membership with CAOT and be registered with the College of Occupational Therapists of British Columbia. Your recent paediatric and school age experience will be an asset. Nanaimo offers an affordable west coast lifestyle with proximity to beaches and mountain forests, skiing and kayaking, Vancouver ferry and Victoria.

Job description is available on request. Visit our webpage at www.nanaimocdc.com. The Nanaimo CDC thanks all applicants, however, only those selected for interviews will be contacted. This posting is open until a suitable candidate is found.
